GINGERBREAD HOUSE DESIGNER CONTRACT

Materials: You will need a sturdy base enabling it to be freestanding, that measures minimum 12” and maximum 18” and is concealed or part of your design. Each house shall be original (no gingerbread kits allowed) and does not have to be in the shape of a traditional “house”. All facades of the main display must be made of gingerbread. The house must be completely edible, excluding the base upon which it is built. Plastic or cellophane tape for the windows is allowed. You may use fondant, pastillage, chocolate, modeling chocolate, isomalt, cast sugar, gum paste, marzipan, royal icing, nougat and all edible food products. Electric lighting and/or motorized movement may be added, however, your submission may or may not be turned on depending on location within the facility for display.

**Gingerbread Houses must be delivered “COMPLETE” between 9:00 AM & 5:00 PM
 Friday, November 17th**

**Ford Community & Performing Art Center
 15801 Michigan Ave.
 Dearborn, MI**

It is essential to be prompt with delivery of your display. The coordinator will begin creation of the Village at the conclusion of the delivery window. Late arrivals may be displayed elsewhere. All donations become the sole property of Festival of Trees.
